

A red neon sign with the words "LIFE GOES ON" in a stylized, blocky font is mounted on a wall. The wall has a repeating diamond-shaped mesh pattern. The sign is illuminated, casting a warm red glow. Below the sign, a small black electronic device, possibly a power supply or transformer, is visible. The background is a dark, curved tunnel with a blue light source at the far end, creating a sense of depth and perspective. The overall mood is one of hope and resilience.

WHERE I'M GOING

BUT I PROMISE IT
WON'T BE BORING
